

Category B Projects Supported by Export Development Canada (EDC)

Year	Country of transaction	Principal Counterparty (Borrower/Investor/Financier)	<a href="#">EDC Product<sup>1</sup></a> ( <a href="#">Guarantee/Financing/Insurance</a> )	Project Description	Principal Exporter/Investor (Canadian company)	Amount Corporate Account	Amount Canada Account	Points of interest and known problems	Sources Cited
04/11/2009	Ghana	Ghana Ministry of Mines and Energy		Takoradi Thermal Power Plant Expansion					Environmental Assessment Report <a href="http://www.ifc.org/ifcext/spiwebsite1.nsf/b7a881f3733a2d0785256a550073ff0f/d44d5f33c80cdfa3852576ba000e2869/\$FILE/Addendum_EIA%20Vol1.pdf">http://www.ifc.org/ifcext/spiwebsite1.nsf/b7a881f3733a2d0785256a550073ff0f/d44d5f33c80cdfa3852576ba000e2869/\$FILE/Addendum_EIA%20Vol1.pdf</a>
24/07/2009	United Arab Emirates	Mubadala Development Company PJSC, Total S.A., Occidental Petroleum Corporation						Risk of groundwater contamination in coastal areas and wadi beds, where depth to water is less than 6m	Environmental Impact Assessment at <a href="http://www.dolphinenergy.com/Files/downloads/ESIA.pdf">http://www.dolphinenergy.com/Files/downloads/ESIA.pdf</a>
30/09/2009	Panama	Petroterminal de Panama	Financing	Expansion of oil storage facilities	Switzer Canada Ltd. (multiple exporters)	25-50 million		"The EIA covered key environmental and social effects such as air quality, spill containment, emergency response and biodiversity. Mitigation measures to address these effects included, respectively: (i) use of floating roofs on petroleum storage tanks to minimize emissions of volatile organic compounds; (ii) use of secondary containment around storage tanks, and the implementation of PTP's Spill Prevention and Containment Plan; and (iii) implementation of a natural resources management plan."	PROFILE: CATEGORY A & B PROJECT – PETROTERMINAL EXPANSION PROJECT, PANAMA; <a href="http://www.edc.ca/publications/2010/csr/english/6-2-1.htm">http://www.edc.ca/publications/2010/csr/english/6-2-1.htm</a>
30/09/2009	Panama	Petroterminal de Panama	Financing	Design and construction of oil storage tanks	Svitzer Canada Ltd, Horton CBI, Limited	25-50 million			Ibid.
18/12/2008	Nicaragua	Polaris Geothermal Energy, S.A. (wholly owned subsidiary of Ram Power Corp.)	Financing--line of credit	San Jacinto-Tizate Geothermal Expansion Project--Design, develop, construct, finance, own, operate and maintain an additional 24 MW (net) expansion under its 25-year concession agreement	Various Canadian exporters	<77 million			Profile: Category B Project--Geothermal Power Project, Nicaragua <a href="http://www.edc.ca/publications/2010/csr/english/6-2-2.htm">http://www.edc.ca/publications/2010/csr/english/6-2-2.htm</a> ; Environmental Impact Assessment (Spanish) <a href="http://www.ram-power.com/Theme/RamPower/files/PENSA%20DIA_Nov2008_w_Resolutions.pdf">http://www.ram-power.com/Theme/RamPower/files/PENSA%20DIA_Nov2008_w_Resolutions.pdf</a>
27/01/2010	Russia	OJSC Gazprombank (project sponsor is Monolit LLC)	Financing	Prirazlomnoye Associated Gas Processing Project--sale of oil	Thermo Design Engineering Ltd.	50-100 million			

17/06/2010	Mexico	Abengoa S.A. and GE Energy Financial Services	Financing	Nuevo Pemex Cogeneration Project--construction of cogeneration facility within an existing petrochemical complex	GE Energy	"A group of lenders including Banobras, Santander, Scotiabank, La Caixa, Banco Espirito Santo, Credit Agricole, Export Development Canada and HSBC is providing US\$460 million in debt for the project"		"Powered by cleaner burning natural gas, the facility will help the Mexican government meet its commitment to reduce greenhouse gas emissions by 50 percent below 2002 levels by the year 2050."	"ABENGOA, GE TO INVEST US\$180 MILLION FOR MEXICO'S LARGEST COGENERATION POWER PLANT, HELPING MEXICO MEET ENERGY EFFICIENCY GOALS" <a href="http://www.geenergyfinancialservices.com/press_room/press_releases/Nuevo%20Pemex%20Press%20Release_FINAL2.pdf">http://www.geenergyfinancialservices.com/press_room/press_releases/Nuevo%20Pemex%20Press%20Release_FINAL2.pdf</a>
